**THE 14th INTERNATIONAL CONFERENCE  
“ORGANIZATION AND TRAFFIC SAFETY  
MANAGEMENT IN LARGE CITIES”**

October 21-24, 2020  
Saint Petersburg

Saint Petersburg State University of Architecture and Civil Engineering supported by governmental bodies and leading scientific and educational organizations of Russia is holding the 14th International Conference “Organization and Traffic Safety Management in Large Cities” on October 21-24, 2020 (SPbOTSIC 2020). In the scope of the Conference the 9th International Scientific and Practical Conference “Traffic Accident Reconstruction and Analysis” will be organized.

The conference has been held since 1995, more than a thousand Russian and foreign experts took part in it. Based on the conferences results, Proceedings indexed in Scopus and WoS are published. Organizational support for the conference is provided by: the General Administration for Traffic Safety of the Ministry of Internal Affairs of Russia, Scientific Center for Road Safety of the Ministry of Internal Affairs of Russia; the State Traffic Safety Inspectorate of the Central Internal Affairs Department for Saint Petersburg and the Leningrad Region and the International Association of Accident Reconstruction Specialists (IAARS, USA), as well as the media.

The SPbOTSIC 2020 Conference aims at facilitating the exchange of experience and consolidating the efforts of research and educational organizations, production structures, state and local government bodies, public associations and the media in order to prevent traffic-related deaths.

SPbOTSIC conferences are held once every two years, it ensures the creation of a permanent discussion platform involving leading representatives of science and experts from Russia and foreign countries.

### **Organizing Committee**

#### **Chairman:**

**Evgeny Rybnov** – D.Sc. in Economics, Professor, Honoured Worker of Higher Education of the Russian Federation, First Vice-President of the International Public Organization of Assistance to Construction Education (ASV). Honorary member of the Russian Academy of Architecture and Construction Sciences (RAACS), Rector of Saint Petersburg State University of Architecture and Civil Engineering (SPbGASU).

#### **Deputy Chairs:**

**Irina Drozdova** – D.Sc. in Economics, Professor, Vice Rector for Science, SPbGASU;

**Sergey Evtiukov** – D.Sc. in Engineering, Professor, Honoured Worker of Higher Education of the Russian Federation, full member of the International Association of Accident Reconstruction Specialists (IAARS, USA), the Russian Transport Academy, International Transport Academy, Doctor of Philosophy in the field of jurisprudence (DPH), Head of the Institute for Traffic Safety, SPbGASU; Head of Land Transport Technological Vehicles Department, SPbGASU;

**Pavel Kravchenko** – D.Sc. in Engineering, Professor, Honoured Worker of Higher Education of the Russian Federation, academic supervisor of the Institute for Traffic Safety, SPbGASU; professor-consultant of Land Transport Technological Vehicles Department, SPbGASU.

#### **Members of the Organizing Committee:**

**Gregory Ginzburg** – Doctor of Business Administration, full member of the International Association of Accident Reconstruction Specialists (IAARS, USA);

**Jaroslav Rajczyk** – D.Sc. in Engineering, Professor, Head of Department, Czestochowa University of Technology (CUT) (Poland);

**Denis Kapski** – D.Sc. in Engineering, Associate Professor, Dean of Automotive and Tractor Faculty of the Belarusian National Technical University (Belarus);

**Igor Malygin** – D.Sc. in Engineering, Professor, Director of Solomenko Institute of Transport Problems of the Russian Academy of Sciences (Saint Petersburg);

**Aleksandr Novikov** – D.Sc. in Engineering, Professor, Honoured Worker of Higher Education of the Russian Federation, full member of the Russian Transport Academy, Director of Polytechnic Institute named after N.N. Polikarpov of Orel State University;

**Yury Trofimenko** – D.Sc. in Engineering, Professor, Honoured Scholar of the Russian Federation, Vice-President of the Russian Transport Academy, Head of Technosphere Safety Department, Moscow Automobile and Road Construction State Technical University (MADI);

**Valentin Silyanov** – D.Sc. in Engineering, Professor, Honoured Worker of Science and Technology of the RSFSR, President of the International Association for Automotive and Road Engineering Education, full member of the Russian and Ukrainian Transport Academies, Professor of Moscow Automobile and Road Construction State Technical University (MADI);

**Sultan Zhankaziev** – D.Sc. in Engineering, Professor, full member of the Russian Transport Academy, member of the Russian Government Commission on Facilitating Road Traffic Safety, member of the International Society for Engineering Pedagogy (IGIP), Head of Department of Road Traffic Management and Safety, Moscow Automobile and Road Construction State Technical University (MADI);

**Aleksandr Solodky** – D.Sc. in Economics, Associate Professor, Honoured Worker of the Transport Industry of the Russian Federation, full member of International Transport Academy, Head of Transport Systems Department, SPbGASU;

**Viktor Dobromirov** – D.Sc. in Engineering, Professor, full member of the Russian Transport Academy and the Russian Academy of Quality Problems, Professor of Land Transport Technological Vehicles Department, SPbGASU;

**Igor Chernyaev** – PhD in Engineering, Associate Professor, Head of Department of Transport Maintenance, SPbGASU;

**Aleksey Marusin** – PhD in Engineering, Associate Professor, Department of Transport Maintenance, SPbGASU, Deputy Chairman of the Council of Young Scientists, SPbGASU.

**Secretary of the Organizing Committee:**

**Nikolay Podoprigora** – PhD in Engineering, Associate Professor of Land Transport Technological Vehicles Department, SPbGASU, Chairman of the Council of Young Scientists, SPbGASU.

**Conference aim**

Exchange of experience and consolidation of efforts of research and educational organizations, production structures, state and local government bodies, public associations and the media in order to prevent traffic-related deaths.

### **Key focus of SPbOTSIC 2020 Conference**

- digitalization of functional organization of traffic safety management systems;
- development of system digital technologies for prevention of road traffic accidents and functional support of all types of subsystems of systematically implemented activities.

### **Conference Results**

- Conference recommendations for government entities and organizations operating in the Russian road traffic safety system to improve it and reduce the level of road traffic injuries;
- Conference Proceedings indexed in Russian (RSCI) and foreign (Scopus and Web of Science) citation systems.

### **Sessions**

1. Traffic management and intelligent transport systems in large cities.
2. Management technologies and means of ensuring road and environmental safety.
3. Innovative technologies for investigating traffic accidents and subsystems for their support.
4. Technologies for ensuring the reliability of constructive safety systems of transport and transport-technological means in operation.
5. Round table "80th anniversary of the Pamir Highway".
6. Round table "Young scientists".

### **Registration Deadlines**

The registration is open from February 12, 2020 to July 1, 2020.

The articles are prepared according to the template and requirements given on the website of the Conference [www.obdd.spbgasu.ru](http://www.obdd.spbgasu.ru).

### **Publications**

SPbOTSIC 2020 Conference Proceedings are published in English in the journal indexed in Scopus and Web of Science citation systems or in the RSCI (the publication option is chosen by the participant).

Articles are submitted in English according to the template and submitted to the Organizing Committee **until 01.06.2020** by e-mail [conference.obdd@gmail.com](mailto:conference.obdd@gmail.com)

## Participation fees

- **70 EUR (including 20% VAT)** – full-time participation in the Conference, the price includes: conference materials, lunches, a social dinner, cultural program, certificate of participation.
- **300 EUR (including 20% VAT)** – publication of a paper in the Transportation Research Procedia. The price includes: reviewing, interaction with the journal on technical issues of presentation of materials.

## Venue

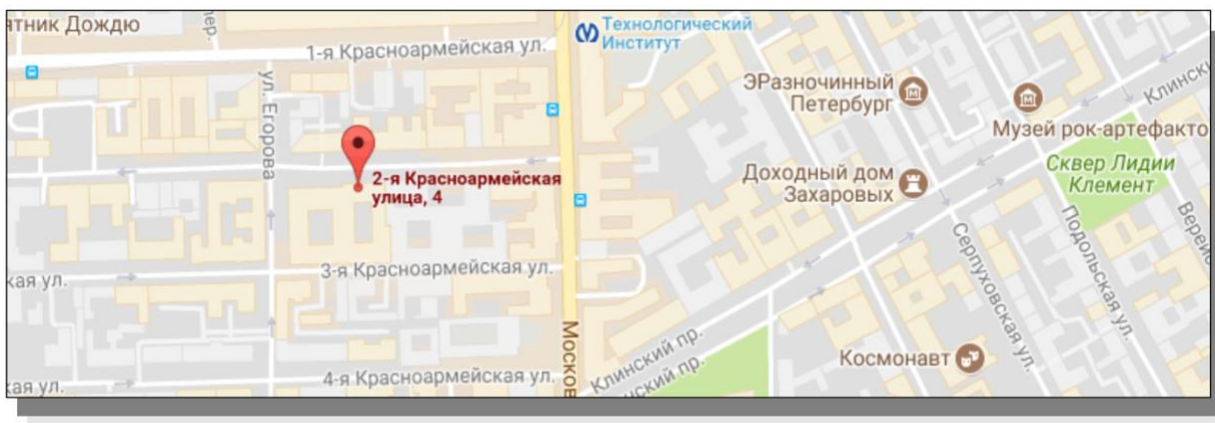

Saint Petersburg State University of Architecture and Civil Engineering

Address:

2nd Krasnoarmeiskaya St., 4,

Saint Petersburg (metro station “Tekhnologichesky Institut”).

- **Conference Organizer** – The Institute for Traffic Safety, SPbGASU.

Head – D.Sc. in Engineering, Professor Sergey Evtiukov, cell phone number: +7-911-2-588-555

Academic supervisor – D.Sc. in Engineering, Professor Pavel Kravchenko, cell phone number: +7-921-935-49-30

- **Organizational Arrangements:**

Aleksey Marusin

e-mail: [89312555919@mail.ru](mailto:89312555919@mail.ru)

tel: +7-911-2-333-578 (MTC)

tel: +7-931-2-555-919 (Megafon)

tel: +7-903-0-222-624 (Beeline)

- **Organizational Support for Foreign Partners:**
